Required Information

- You must use a separate application AND a separate envelope for each genus (deer, elk, etc.) for which you apply. No more than one (1) application (up to 4 applicants) may be included in the same envelope. **NOTE: All hunt choices for each genus, regardless of weapon type, must be requested on the same application.**
- You must use valid Hunt Numbers; make sure you refer to appropriate Hunting Regulations. Do not use game management unit numbers.
- In accordance with federal requirement, 42 U.S.C. Section 666 A13 and state requirement, A.R.S. 25-320 (K) and 25-502 (E), you must provide your Social Security number in the space provided. *This is kept on file with the Department of Economic Security for use in identifying and tracking child support offenders. If you are not a U.S. Citizen you must write "Not US Citiz" in the Social Security field.* Applicants declaring "Not US Citiz" must provide a Department I.D. Number (refer to item #7).
- You must fill in your name, home address, city, state, and zip code. You must include your date of birth. You must specify your date of birth with a two-digit month, a two-digit day, and a four-digit year. (For example: if you were born on Jan. 5, 1950, you would write: 01-05-1950 in the Date of Birth field.)
- You must check either the *resident* or *non-resident* box for each applicant.
- You must either enter your Arizona Hunting License Number (including the two-character prefix) *valid for the year in which the hunt occurs* OR you must fill out the Form 390 License Application section (bottom portion for each applicant) and specify the class of license you wish to purchase by checking the appropriate box and include payment for that license with each application. **A license is required to apply for a drawing. No license refund will be issued if you are not drawn. Only one license will be issued to you. License refunds will be made for additional applications.**
- You must enter your Department I.D. Number (previously called Sportsman I.D.) *if different from your Social Security number.* This number is only for those individuals who use a Department issued I.D. Number instead of a Social Security number to track bonus points or for non-U.S. citizens. **NOTE: A Department I.D. Number must be obtained from AZGFD prior to application.**
- The applicant or an appointed individual must sign each completed applicant block.
- Each applicant shall complete only one block per application (for example: Applicant A, Applicant B, etc.)
- You must include all information **per applicant** in one block only. **You may not use multiple applicant blocks to provide information for one applicant.**
- You must include **ALL** the appropriate license, permit, and application fees in each envelope. No cash will be accepted. Any check returned to the Department for non-payment will result in rejection of your application.
- You must refer to the appropriate Hunting Regulations to obtain the current fees for licenses and/or hunt permit-tags or you may call the Department at (602) 942-3000 for that information.
- Family Licenses, Super Conservation Licenses, and Child Hunting and Combination Licenses may not be obtained through the draw.** Only Class G – Hunting; Class F – Hunting and Fishing Combination and Class F – Youth Combination licenses are available through the draw.
